Laws and Guidelines

We are very grateful to those who keep an eye on the ever-changing laws and guidelines relating to our church activities during the pandemic, as we try to run a number services and activities as safely as we can. At present we do not need to change any of our procedures for our services on a Sunday (whether indoors or on our property outdoors), because we are following the guidelines for places of worship and religious activities. The new ‘**rule of 6**’ applies mostly to social gatherings, and this affects a number of groups that would normal use our halls or churches for non-religious purposes. Some events have had to be cancelled, and some groups are still unable to re-open.

Our aim is to do what we can, whilst remaining as safe as we should.

Yours in Christ,

David & Robert
