## LENT

**Lent Course 2023**

How steep is the decrease in knowledge in the general public about Jesus and what it means to have faith in him? Do your non-church family and friends have a good grasp of what the good news of Jesus is all about? How will these people hear something helpful? The course "**Faith Pictures**" is designed to help us play our part by increasing our confidence in telling our story of faith; we can't leave the job to anyone else. Please sign up today (19<sup>th</sup> Feb) to let us prepare the right number of materials. Come along on **Thursday 23<sup>rd</sup> February at St George's, 7:30pm** to join in. We will be working in groups, but you'll be with someone you know.

*David*

**Thursdays in Lent, all at St George's (except 23<sup>rd</sup> March which is at St Chad's).**

**Alpha:** The course is for those who want to investigate Christianity, are new to a church or those who want to brush up on their basic Christian knowledge, in a friendly, welcoming environment. We will be running a ten part course in KEP starting on **Tuesday 18<sup>th</sup> April**. If you would like to take part please contact Margaret on 07503 521071.

## Ash Wednesday 22<sup>nd</sup> February

In both places there will be the chance to receive the sign of the cross in ash on the forehead; it is optional. All are welcome to either (or both) services.

## Faithful Friday Blog Post from Revd David Hildred for Friday 17<sup>th</sup> February

The grim account of the crucifixion is followed by the glorious record of the resurrection. All of it is written by John from the angle of how different people were involved at various stages. It's almost as if he is saying to us "Go and check it out with Pilate, or Joseph of Arimathea, or Mary Magdalene, and hear it from them as to what happened", and alongside their experiences we are given indications of their meanings; some Scripture is fulfilled, some understanding is deepened, an explanation is given about forgiveness, and so on. John rounds off chapter 20 with a note about why he has chosen to write the life of Jesus and the particular selection of events in the previous chapters: it's so that we can join Thomas and the other disciples in believing and receiving life in the name of Jesus. Have we done what John hoped we would?

## Churches Together in Kidderminster & Christians Against Poverty

Poverty destroys lives. It robs people of joy, hope and opportunities. Every day, CAP hears about the burdens of shame, isolation, and guilt that financial difficulty brings. CAP inspires churches to see that they can bring hope to their community by offering training to run CAP Money Courses, be a CAP Befriender or even a CAP Debt Coach.

Could this be something you could be involved in? Want to find out more? Come to our Launch and Information event on **Sunday 26<sup>th</sup> March 2023 – 6:00p.m.**

## Faithful Friday Blog Post from Revd David Hildred for Friday 24<sup>th</sup> February

Jeremiah is called by God to be a prophet to the people of Judah, the southern kingdom of the people of God. The northern kingdom, referred to as Israel, had already been overrun as punishment from God for turning away from him. Here is a final call for God's people to stop running after other gods and return to him as his faithful people; it is a call that explains what will happen to his people when they don't (and indeed they don't), and what will happen when God draws them back out of exile in Babylon (and indeed God does). The language in these chapters is of sexual intimacy, prostitution and adultery, which reflects the heartless rejection of the relationship that God had intended for his people – a relationship of tender care, love and commitment. Will the bride of Christ (the church) take heed? May our ears be open!
